ICAR - National Bureau of Agriculturally Important Microorganisms

Understanding and Conserving our National Heritage of Agriculturally Important Microorganisms

डॉ. अनिल कुमार सक्सेना
निदेशक

Dated: 02.10.2018

Dr. Anil Kumar Saxena, FNAAS, FIAMS
Director

To,
All the Vice Chancellors of SAU &
All the Directors, Project Directors ICAR Institutes

Sir,

It is my pleasure to inform you that ICAR-National Bureau of Agriculturally Important Microorganisms, Kushmaur, Maunath Bhanjan, UP is organising a training on “**Current approaches in fungal biology: Diversity analysis, identification and taxonomy of Deuteromycetes fungi**” during 28th Nov. -7 Dec. 2018.

This training is for Research scholars, Post docs, Students, Technical officers, Scientists/Assistant Professors/Lecturers or above, from any university/institute/organization working in the area of biological sciences. The objective of the training is to update the knowledge and skill of the participants in fungal diversity, identification and taxonomy. A total 20 participants from different ICAR institutes, universities and organisations will be selected for the training. Further, information about the training with application performa is given in the enclosed brochure. The duly processed application should be sent to the undersigned well before the last date for submission of application i.e. 2nd Nov, 2018.

You are kindly requested to give wide publicity to this circular and nominate one or two candidates from your institutes, universities and organisations for this training.

With Regards,

Yours faithfully,

Anil K Saxena
