

Five Days Training-cum-Workshop
on
“Chromatographic Techniques and their Applications in Research”
(18th to 22nd June, 2019)

Organized by
Department of Veterinary Pharmacology & Toxicology,
Bihar Veterinary College,
Bihar Animal Sciences University, Patna (Bihar)

The Department of Veterinary Pharmacology & Toxicology, Bihar Veterinary College, Patna is going to organize a five days Training-cum-Workshop on “Chromatographic Techniques and their Applications in Research” from 18th to 22nd June, 2019. The training-cum-workshop intends to impart basic knowledge of different chromatographic techniques and its applications in various areas of research. The target beneficiaries of this Workshop are academicians, researchers and post-graduate scholars of different disciplines viz. Biochemistry, Public Health, Nutrition, Physiology, Pharmacology, Toxicology, Livestock Products Technology, Pathology, Biotechnology, Parasitology, Medicine, Dairy Science & Technology, Fisheries and other allied disciplines. The five days training schedule includes number of lectures and practical classes. The following Experts who have vast experience in the field of Chromatographic Techniques have consented to participate as Guest Speakers/ Resource Persons in the Workshop:-

1. Dr. A.H. Ahmad, Professor, Deptt. of Pharmacology & Toxicology, G.B. Pant Univ. of Agril. & Tech., Pantnagar.
2. Dr. G.S. Rao, Professor & Head, Deptt. of Pharmacology & Toxicology, NTR College of Veterinary Science, Gannavaram (A.P.).
3. Dr. T.K. Mandal, Prof. & Head, Deptt. of Pharmacology & Toxicology, W.B. Univ. Animal & Fishery Sciences, Kolkata (W.B.).
4. Mr. Barun Sarkar, Sr. Application Specialist, Waters India Pvt. Ltd., Kolkata.
5. Mr. Subhadip Banerjee, Product Executive, Waters India Pvt. Ltd., Kolkata.

Topics to be covered in the Training-cum-Workshop:-

- ✓ High Performance Liquid Chromatography : Sample preparation, Sample analysis, data interpretation and troubleshooting.
- ✓ Gas Chromatography : Basic technique and applications.
- ✓ High Performance Thin Layer Chromatography : Basic technique and applications.
- ✓ Liquid Chromatography Mass Spectrometry : Basic technique and applications.
- ✓ Gas Chromatography Mass Spectrometry L Basic technique and applications.

Applications for participation in Training-cum-Workshop are invited from the interested faculty members and PG/ PhD scholars of the Bihar Animal Sciences University as well as candidates from outside this University (Performa attached with this notification). **Duly filled in Performa may be submitted to Dr. Nirbhay Kumar, Assistant Professor & Head, Department of Veterinary Pharmacology & Toxicology on or before 15-06-2019. Selected candidates shall be informed through email/telephonically. Participation in the workshop is a full time activity and may continue beyond scheduled hours.**
