

World No Tobacco Day

Use of tobacco has become a menace. The 31st May 2019 is observed as the 'World No Tobacco Day' to create awareness about this menace that can inflict the most devastating disease of Cancer too. Hon'ble Vice Chancellor, BASU Dr Rameswar Singh addressed the participants and flagged the rally. Officers, faculty, students and staff of the university participated in the rally and formed a human chain to show the solidarity and determination to against the use tobacco.

Besides, Health Camp comprising a team of doctors from the Dentofacial Health Centre, Patna was organised to check the oral and neck health of the university employees, students and other participants from nearby places. About 100 participants were examined and suggestions given.
