

First Animal Husbandry Officers' Workshop

Bihar Animal Sciences University, Patna

June 10-11, 2020

(Through Online Interactive Webinar)

Aim of Workshop:

- 1. To identify the researchable issues based on technical inputs from Animal Husbandry Officers.**
- 2. To identify the training needs of Veterinary Officers/Animal husbandry officers of the state.**
- 3. To update the officers on latest technologies and recent developments in diagnostics & therapeutics.**

Technical Programme

Its proposed to conduct the Animal Husbandry Officers workshop through technical sessions, as listed below:

- a) Animal Production & Management**
- b) Animal Health**
- c) Poultry Production & Health Management**
- d) Vety Public Health & Zoonotic diseases**

All the four technical sessions will begin with brief presentations to initiate group discussion through Moderator, to identify relevant technical issues being faced by Officers in field.

Since the workshop is being conducted in virtual mode, it is planned to form a group of nominated Veterinary officers' and Scientists of University to take prior feed back and compile the issues for discussion during the different sessions.

Coordination committee:

1. Dr Ravindra Kumar, Director Research, BASU, Patna
2. Dr A K Thakur, Director Extension Education, BASU, Patna
3. Dr J K Prasad, Dean, BVC, Patna
4. Representative of Director, Animal Husbandry, Govt of Bihar
