

Training Program
on
Technique of hygienic production and processing of meat

04th, Feb'- 2021

Under NAHEP

Bihar Animal Sciences University is going to organise Training for Faculty, Students and Others on **“Technique of hygienic production and processing of meat”** for faculty members and students of the Bihar Animal Sciences University, Patna.

Objective of this Training is:

- To impart knowledge about hygienic slaughter and processing of meat.
- To bring awareness about zoonotic diseases related with processing and consumption of meat.

This training is being organised under NAHEP_IG project funded by ICAR. Forty-five members (Faculties and Post graduate Students of University & Other) will be participants of this training.
