“EMPOWERING TOMORROW, TOGETHER”

VICE-CHANCELLOR’S DESK

It is a matter of great pleasure for me to learn that the newly established College of Veterinary and Animal Sciences (COVAS), Kishanganj is bringing out the maiden issue of its newsletter. I am overwhelmed with enthusiasm to witness the rapid progress of this institution as a constituent college of Bihar Animal Sciences University, Patna. COVAS, Kishanganj signifies a pivotal milestone in the pursuit of academic excellence and innovation in the field of Veterinary Science in the *seemanchal* region of Bihar. Our collective vision has always been to create a nurturing and intellectually stimulating environment for aspiring veterinarians, young researchers who are keen to push the boundaries of knowledge, and animal lovers looking for the best healthcare and advice for their farm livestock and companion animals.

We aim to equip our students with the knowledge and skills to become compassionate and competent veterinary professionals. We envision them as pioneers who will not only diagnose and treat disease but also advocate for animal welfare, public health, food safety and environmental conservation. As we set forth on this journey, we are blessed with a team of well-trained experts and motivated young faculty members who bring with them their passion for teaching and research. The ecosystem is brimming with youthful expectations and possibilities to inspire and cultivate a spirit of curiosity and lifelong learning amongst our students.

We encourage active participation in co-curricular activities and community engagement, as we are located in a pocket inhabited by small farmers and a tribal population. We are committed to repay in all possible ways as owe so much to these local people. It is through interaction and collaboration with these farmers that we can further grow as compassionate individuals and responsible global citizens. In the very short span of time we are moving towards development of strong bonds and linkages with them as our young faculty is inspired by the able leadership of this college.

I extend my hearty congratulations and best wishes to the faculty, staff, and all well wishers. I am confident that this college will fulfil the expectations of all stakeholders and become a notable centre of Veterinary and Animal Sciences in this isolated pocket of our state.

(Rameshwar Singh)

“EMPOWERING TOMORROW, TOGETHER”**DEAN’S DESK**

I am happy to know that the College of Veterinary and Animal Sciences (COVAS) Kishanganj under Bihar Animal Sciences University is bringing its inaugural issue of Newsletter. It will showcase the different activities like teaching, research, extension and on-going events of the college. The college is developing new facilities for students regarding teaching, research and extra curricular activities in the lush green and eco-friendly campus near Mahananda river. Animal hospital under the college is functioning and providing treatment and care support to the livestock owners of this rural area. Kisan Samvad and animal health camps are being organized at different places on regular basis with zeal and enthusiasm. We are in the process of creating new and modern infrastructure for the college.

No doubt the newsletter will highlight important activities and events of the college on regular basis. I wish all the best to staffs of College of Veterinary and Animal Sciences (COVAS) Kishanganj for their future endeavors.

PAWSOME CELEBRATIONS

World Veterinary Day: Honoring Our Heroes of Animal Health

We are thrilled to announce that the College of Veterinary and Animal Sciences (COVAS), Kishanganj, celebrated World Veterinary Day on 29th April 2023 at COVAS, Arrabari, Kishanganj in guidance and supervision of Honorable VC Dr. Rameshwar Singh and Dean of COVAS, Kishanganj Dr. Chandrahas. This special event brought together faculty and staff to commemorate the invaluable contributions of veterinary professionals and promote animal health and welfare. The theme for this year's World Veterinary Day was "Promoting diversity, equity and Inclusiveness in Veterinary Profession." The event aimed to emphasize the crucial role that veterinarians play in safeguarding both animal and human health and fostering a harmonious relationship between the two.

The day commenced with an inaugural ceremony, graced by esteemed Chief Guest, Honorable SSB Commandant Shri Munna Singh Ji and Special Guest SSB Commandant Shri Madhukar Amitabh Ji. Distinguished speakers shed light on the significance of the One Health approach, highlighting the interconnections between human health, animal health, and the environment.

Their insightful talks inspired attendees to embrace

a holistic approach to healthcare and welfare. All faculty members enthusiastically engaged in discussions, and case studies, gaining valuable insights into the complexities of veterinary medicine and the ethical responsibilities of veterinarians. Participants had the opportunity to observe and learn various clinical procedures, surgical techniques, and diagnostic methods. This initiative aimed to create awareness about the importance of regular veterinary care and strengthen the bond between animals and their owners. Let us carry forward the spirit of World Veterinary Day and continue working towards a healthier, happier world for animals and humans alike.

Visit from the Veterinary Council of India

We are ecstatic to broadcast that the Veterinary Council of India (VCI) team visited to the COVAS, Kishanganj from 02-04 April 2023. The visit was a significant milestone for our institution, as it provided an opportunity to showcase our commitment to excellence in veterinary education and research. The VCI team engaged in fruitful discussions with our faculty members, exchanging valuable insights and experiences. We extend our gratitude to the VCI team for their visit, and we look forward to continued collaboration in the field of veterinary sciences.

CONDUCTIVE AND EMPOWERING ENVIRONMENT

Celebrating New Beginnings: Cabin Allotment to Faculty with Puja Ceremony

The atmosphere at our esteemed college was brimming with excitement and anticipation as we recently welcomed our cherished faculty members into their new cabins. To commemorate this significant milestone, a joyous and auspicious Puja ceremony was organized. The serene morning began with a sense of reverence as faculty members, administrators, and staff gathered in the beautifully adorned space. The Puja commenced with traditional rituals, invoking blessings and seeking divine guidance for the faculty's journey ahead.

The event was a reflection of the deep respect and gratitude we hold for our faculty. It also fostered a sense of unity and companionship among the college community, as we celebrated this significant milestone together. Our faculty members can now continue their vital work with renewed enthusiasm, further enriching the educational experience for our students. We extend our heartfelt congratulations to the faculty on their new cabins and express our sincere appreciation for their unwavering dedication.

Director of Extension Education, BASU, Patna, Makes Groundbreaking Visit

A great interactive session took place between respected Dr. A.K. Thakur sir (Director of Extension

Education, BASU, Patna) and faculty members of COVAS, Kishanganj, in the presence of respected Dean sir, Dr. Chandrahas.

We are delighted to share that an interactive session of immense value took place between the esteemed Dr. A. K. Thakur, and the faculty members of COVAS, Kishanganj. This engaging session served as a platform for knowledge exchange and collaboration among the participants.

Dr. A. K. Thakur, renowned for his expertise in Extension Education, enlightened the faculty members with his vast experience and valuable insights. The session covered a wide range of topics, including innovative extension strategies, effective outreach programs, and the importance of community engagement in veterinary practices. Through this interactive dialogue, the faculty members of COVAS, Kishanganj, had the opportunity to gain deeper understanding and enhance their skills in extension education. They actively participated in discussions, shared their perspectives, and sought guidance on various challenges faced in their respective fields. Overall, this session served as a stepping stone for the faculty members of COVAS, Kishanganj, in their professional growth, and fostered a spirit of collaboration and knowledge-sharing among the participants.

ANIMAL HEALTH CAMPS

On the sunny morning of May 26, 2023, COVAS, Kishanganj buzzed with enthusiasm as “Farmers Awareness and Animal Health Camp” was organized under the leadership of Dean COVAS, Kishanganj Dr. Chandrahas, in which all the faculty participated actively.

This event aimed to foster knowledge and skills among farmers and create awareness about animal health practices. With over 100 farmers in attendance, it was a resounding success. Farmers were provided with valuable insights on the animal nutrition, disease prevention, healthcare management and effective pest control measures.

The highlight of the camp was the free veterinary check-up and vaccination service offered to the farmers' livestock. Skilled veterinarians meticulously examined each animal and provided necessary treatments and vaccinations. The event successfully bridged the gap between academia and the farming community, fostering collaboration and mutual learning. We extend our heartfelt gratitude to all who made this camp a remarkable experience.

It fostered a sense of community engagement and collaboration in the pursuit of animal welfare. We look forward to future endeavors aimed at promoting animal welfare and community development.

We are overjoyed to announce the successful hosting of the SECOND Animal Health Camp in the village of Arrabari, Kishanganj, by COVAS, Kishanganj on June 28, 2023. This remarkable event was made possible under the visionary leadership of Dean COVAS, Kishanganj, Dr. Chandrahas, whose guidance and expertise ensured the smooth execution of the program.

The animal health camp aimed to provide crucial veterinary services to the livestock in the Bihar village. It was a testament to the commitment and dedication of the entire faculty of COVAS, Kishanganj, as they actively participated in this noble initiative. The program encompassed a wide range of veterinary services, including health check-ups, vaccinations, deworming, and treatment of common ailments. The faculty members, with their profound knowledge and expertise, meticulously examined and treated the animals, ensuring their overall well-being. Additionally, they imparted valuable knowledge and advice to the villagers on animal care, nutrition, and disease prevention. The active participation of the villagers was a testament to the camp's importance and impact.

AWARENESS

Milking the Moment: Celebrating World Milk Day with a Splash

On the auspicious occasion of World Milk Day, under the leadership of Dean, COVAS, Kishanganj, Dr. Chandrahas organized a vibrant and engaging event in collaboration with the students and staff of the primary school, Arrabari, Kishnagnj. The event aimed to raise awareness about the importance of milk and dairy products in our daily lives. The day began with an informative session led by experts from COVAS, who educated the students about the nutritional value of milk, its role in growth and development, and its significance in maintaining a healthy lifestyle. The students actively participated in interactive sessions and quizzes, displaying their knowledge and enthusiasm. To make the event more engaging, various fun activities were organized.

The World Milk Day celebration at the primary

school was an enriching experience, promoting the importance of milk and dairy products in the overall well-being of individuals. The event not only educated the students but also instilled in them a sense of appreciation for the dairy industry and its vital role in society.

Reviving the Earth: Uniting for a Greener Tomorrow on World Environment Day

On the auspicious occasion of World Environment Day, COVAS, Kishanganj organized a series of

activities on 5th May 2023 under the leadership of Respected Dean, Dr. Chandrahas to raise awareness and emphasize the importance of environmental conservation under the theme "Beat Plastic Pollution". The day commenced with a tree plantation drive, where all faculty members actively participated in planting saplings across the campus. This initiative aimed to combat deforestation and promote a greener environment.

The World Environment Day celebration by

COVAS served as a powerful platform for all to unite and pledge their commitment to sustainable practices. By fostering an understanding of environmental issues and encouraging collective action, the college continues to play a vital role in shaping environmentally conscious individuals who will strive towards a greener and healthier future.

DISTINGUISHED ARRIVAL

HONORABLE VICE-CHANCELLOR GRACEFULLY VISITS COVAS, KISHANGANJ

We were honored to have the esteemed presence of Dr. Rameshwar Singh, the Honourable Vice-Chancellor of BASU, Patna, during his visit to COVAS, Kishanganj, from June 7 to 9, 2023. The three-day visit was marked by a series of engaging and enlightening activities that left a lasting impact on the faculty and staff.

One of the highlights of Dr. Rameshwar Singh's visit was the interactive session held between him and the COVAS faculty. Dean COVAS, Kishanganj Dr. Chandrahas, and Dean Fishery Dr. V.P. Saini sir were also present in the above discussion. This session provided an invaluable opportunity for the faculty members to engage in a fruitful exchange of ideas, discuss emerging trends in veterinary science, and seek guidance from the esteemed Vice-Chancellor. The session was characterized by a vibrant and dynamic atmosphere as various topics related to research, teaching methodologies, and the future of veterinary education were explored.

Dr. Rameshwar Singh's visit to the surrounding areas of Arrabari, Kishanganj in order to assess the situation of the nearby areas. His visit served as a source of inspiration and motivation for everyone at COVAS, Kishanganj. His valuable insights and words of wisdom will undoubtedly contribute to the growth and development of our institution. We extend our heartfelt gratitude to the Honourable Vice-Chancellor for gracing us with his presence and look forward to implementing the knowledge gained during his visit into our academic endeavors.

“Esteemed Visit of the Vice Chancellor Enlivens Our College Campus”

KISAN SAMVAD-1

HARVESTING HOPE: EMPOWERING FARMERS FOR A FLOURISHING FUTURE

The Kisan Samvad programme, organized by the Kishanganj team of COVAS (College of Veterinary and Animal Sciences), took place on June 16, 2023, in the village of Arrabari. The objective of this program was to gauge the interest of the local community in animal husbandry by conducting door-to-door visits and addressing any related concerns. Led by the esteemed Dean, Dr. Chandrahas, the event witnessed the active participation of the entire faculty.

The program proved to be a resounding success, with the team making significant progress in understanding the needs and interests of the villagers regarding animal husbandry.

By reaching out to each household in the village, the team engaged in meaningful conversations with the residents, gaining valuable insights into their existing practices, challenges, and aspirations in the field of animal husbandry. The well-organized event exemplified the commitment and dedication of the COVAS team.

The faculty members played a crucial role in

ensuring the smooth execution of the program, actively contributing their expertise and knowledge to address the concerns raised by the villagers. Their collective effort helped create a positive and supportive environment, fostering open dialogue and fruitful discussions. The Kisan Samvad program not only served as a platform for interaction between the villagers and the COVAS team but also laid the foundation for future collaborations and initiatives. It provided an opportunity for the team to build strong relationships with the local community, fostering trust and mutual understanding.

Overall, the Kisan Samvad program showcased the sincere efforts of the COVAS, Kishanganj team in promoting animal husbandry and empowering the rural community. By actively engaging with the villagers and addressing their concerns, the team has taken significant strides towards fostering sustainable agricultural practices and enhancing the overall well-being of the community.

"Cultivating a conversation that nurtures the seeds of change - Kisan Samvad, where farmers' voices blossom!"

LET US PROMOTE UNITY, CULTURAL HARMONY, AND THE WELL-BEING

Commemorating Unity and Safety: Gaadi Pooja

We are ecstatic to announce that COVAS, Kishanganj, organized a Gaadi Pooja event on 19 June 2023. This significant ceremony was held to invoke blessings upon the vehicles that serve as a lifeline for our esteemed faculty, staff, and students. The Gaadi Pooja commenced with great enthusiasm and reverence as participants gathered together to pay homage to their means of transportation.

The event was marked by the recitation of Vedic hymns and the offering of prayers for the safety and well-being of all who travel within these vehicles. The ceremony served as a reminder of the importance of road safety and the need to cultivate a sense of unity among all COVAS community members. By coming together for the Gaadi Pooja, we reaffirmed our commitment to fostering a safe and secure environment both within our institution and on the roads.

Unite the World in Serenity: International Yoga Day Celebration

On the vibrant morning of May 21, 2023, the COVAS, Kishanganj enthusiastically organized a memorable event to commemorate International Yoga Day. This special day, celebrated worldwide, aims to promote the holistic benefits of yoga and raise awareness about its significance in

maintaining a healthy mind and body. A large gathering of faculty, and staff eagerly participated. The event was marked by the spirit of unity and tranquility as everyone embraced the power of yoga.

Under the guidance of Dean Dr. Chandrahas, participants indulged in various yoga postures, breathing exercises, and meditation techniques. The soothing melodies of nature blended harmoniously with the rhythmic movements, creating an atmosphere of inner peace and rejuvenation.

The event concluded with heartfelt gratitude towards the organizers and participants who made the celebration a resounding success. It served as a reminder that by embracing the ancient practice of yoga, we can unlock a path towards harmony, balance, and self-discovery. May this day continue to inspire and motivate individuals to embrace the timeless wisdom of this ancient practice throughout their lives.

योग शरीर को स्वस्थ एवं तनावमुक्त रहने में करता है मदद : डॉ. चंद्रहास

पोटिया। पोडिया प्रखंड के पशुचिकित्सा एवं पशु विज्ञान महाविद्यालय अर्वाहारी में अंतरराष्ट्रीय योग दिवस पर योग शिविर का आयोजन किया गया। योग शिविर में महाविद्यालय के सभी शिक्षक, कर्मचारियों एवं बच्चों ने भाग लिया।

शिविर की अध्यक्षता महाविद्यालय के डीन डॉ. चंद्रहास ने की। डॉ. चंद्रहास ने योग में उपस्थित लोगों को संबोधित करते हुए योग की विभिन्न क्रियाओं, आसनो एवं ध्यान के बारे में विस्तृत रूप से जानकारी दी। उन्होंने बताया कि योग से शारीरिक एवं मानसिक संतुलन होता है। जिससे हम अपने दैनिक जीवन के कार्यों को बेहतर तरीके से निष्पादित कर सकते हैं। महाविद्यालय के पीआरओ डॉ. राजेश ने बताया कि योग शिविर का आयोजन

मेंडिसिन डिपार्टमेंट की विभागाध्यक्ष डॉ. नीलम कुशवाहा एवं उनकी टीम ने किया। मासिक्यो महाविद्यालय के राष्ट्रीय सेवा का इकाई के प्रभारी एवं एक्वाक्लर विभाग के प्राध्यापक डॉ. नरेश राजकीर द्वारा भी योग जागरूकता कार्यक्रम का आयोजन किया गया। आयोजन के मुख्य प्रशिक्षक एवं सचेतक के रूप में जलीय जीव स्वास्थ्य प्रबंधन विभाग के प्राध्यापक भारतेन्दु विमल की महती भूमिका रही।
