**Approval of Re-distributed /considered no. of Teaching Posts in different departments of College of Veterinary and Animal Sciences, Kishanganj.**

Subject/Department-wise distribution of no. of the posts of Professor, Associate Professor, and Assistant Professor sanctioned for CoVAS, Kishanganj was made vide Memo. No. 55/Reg./BASU, Patna dated 22.07.2022 and Corrigendum O.O.No. 152 and Memo No.- 580/Reg./BASU, Patna dated 28.07.2022, with the approval of the Academic Council in its 13th Meeting held on 19.07.2022.

In this connection, it is pertinent to mention here that provision of a separate Department of Poultry Science was made, and accordingly one post of Professor, one post of Associate Professor, and two posts of Assistant Professor were allocated under this Department.

However, as per the **Veterinary Council of India** Minimum Standards of Veterinary Education (MSVE) Regulations, 2016, there is no provision for a separate Department of Poultry Science.

Accordingly, the teaching posts earlier allocated to the Department of Poultry Science were re-distributed among the relevant departments in consonance with DPR of CoVAS, Kishanganj as detailed below:

1. The two posts of Assistant Professor allocated under Poultry Science were merged with the **Veterinary Clinical Complex (VCC)**, thereby increasing the number of Assistant Professor posts in VCC from **7 to 9**.
2. The one post each of Professor and Associate Professor allocated under Poultry Science were merged with the **Department of Livestock Farm Complex and Anatomy**, respectively thereby increasing the number of Professor and Associate Professor posts in the said Departments from **1 to 2** each.

3. Further, out of the two posts of Associate Professor allocated under the **Department of Livestock Farm Complex**, one post was re-allocated to the **Department of Animal Genetics and Breeding (AGB)**, thereby increasing the number of Associate Professor posts in AGB from **1 to 2**.

The brief summary in this regard are as follows:-

Accordingly, based on the above considered distribution of posts, advertisements for recruitment to the teaching positions under the Veterinary Faculty, namely Professor, Associate Professor, and Assistant Professor, were published vide Employment Notice Nos. **06/2022** and **06/2023**, and the recruitment process was completed accordingly.

At present, an advertisement for recruitment to the post of **Professor under the Veterinary Faculty** has already been published vide **Employment Notice No. 03/2026**, and the proposal for advertisement/recruitment to the posts of **Professor and Associate Professor** in the Veterinary Faculty is under process.
