

Registration Fee:

Category	On or Before 31 st Aug 2026 (Rs.)	After 31 st Aug 2026 (Rs.)
Life Members of SVSBT and Veterinarians Nominated by State AH Department	₹ 4500/-	₹ 5500/-
Non-members	₹ 5500/-	₹ 6500/-
Foreign Delegates	USD-100/-	USD-100/-
SARC Countries Delegates	₹ 6000/-	₹ 6500/-
Nepal and Bhutan Delegates	₹ 4500/(Indian Rupees)	₹ 5500/(Indian Rupees)
Accompanying persons*	₹ 2500/-	₹ 3000/-
Students life members**	₹ 2000/-	₹ 2500/-
Students non-life members**	₹ 2500/-	₹ 3000/-
Corporate/Industry Personnel (02 Persons)	₹ 10000/-	₹ 11000/-
Retired Life Members of SVSBT	Free	₹ 1000/-

*Without Conference Kit

** A bonafide certificates from the Head of Department/Dean of College should be attached.

Account Details for Transactions

Name of Bank: State Bank of India

Branch: SBI, Bihar Veterinary College Campus (BVCC), Patna

Account Name: SVSBT Conference-2026

A/C No.: 45335056017

IFSC: SBIN0009006

CHIEF PATRON

Dr. Inderjeet Singh

Hon'ble Vice Chancellor, BASU, Patna

PATRON

Dr. A. J. Dhami

President, SVSBT, Indore

Dr. Pankaj Kumar Singh

DRI-cum-Dean PGS, BASU, Patna

Dr. N. K. Singh

Director Research, BASU, Patna

Dr. N. S. Dahiya

Director Extension Education, BASU, Patna

Dr. Chandrahas

Dean, College of Veterinary and Animal Science, Kishanganj, BASU, Patna

Dr. V. P. Saini

Dean, College of Fisheries, Kishanganj, BASU, Patna

Dr. Rakesh Kumar

Dean, Bihar State Institute of Dairy Technology, BASU, Patna

CHAIRMAN

Dr. Pallav Shekhar

Dean, Bihar Veterinary College, BASU, Patna

ORGANIZING SECRETARY

Dr. Dushyant Yadav

Assistant Professor, Department of Livestock Farm Complex (VGO), Bihar Veterinary College, BASU, Patna

CO-ORGANIZING SECRETARIES

Dr. Amrita Behera

Assistant Professor, Department of Veterinary Biochemistry, Bihar Veterinary College, BASU, Patna

Dr. Manmohan Kumar

Assistant Professor, Department of LFC, Bihar Veterinary College, BASU, Patna

TREASURER

Dr. Ranjana Sinha

Assistant Professor, Department of LFC, Bihar Veterinary College, BASU, Patna

Office Bearers (CEC Members) of SVSBT

Sr. No.	Name	Place/Address	Designation in CEC
1	Dr. R. S. Shrimal	Indore	Patron
2	Dr. A. J. Dhami	Anand	President
3	Dr. Deepak B. Patil	Anand	Vice President - I
4	Dr. Sushant Srivastava	Ayodhya	Vice President - II
5	Dr. K.K. Hadiya	Anand	Gen. Secretary
6	Dr. Rajesh Kumar	Ayodhya	Joint Secretary
7	Dr. Vishal Suthar	Gandhinagar	Treasurer
8	Dr. R.K. Bagherwal	Mhow	Publicity Secretary
9	Dr. R.S. Dhanotia	Indore	Editor-in-Chief, IJVSBT

Key Dates

❖ Date of SVSBT National Conference: 06-07 Oct, 2026

❖ Last Date of Registration: 25th Sep, 2026

❖ Last Date of Abstract Submission: 20th Sep, 2026

06-07th October, 2026

SVSBTCON-2026
XIII Annual Convention
&
National Conference of SVSBT-2026

**"Transforming Animal Health,
Disease Diagnosis and Sustainable
Livestock Production through
Genomics, Artificial Intelligence
and Biotechnology"**

Organized by
Bihar Veterinary College
Bihar Animal Sciences University, Patna, Bihar

"Bihar Veterinary College 100 Years of Excellence"
(1927-2027)

Invitation

Dear friends and colleagues,

The livestock sector plays a pivotal role in ensuring food and nutritional security, rural livelihoods and economic growth. With the increasing demand for animal-derived products and the emergence of complex animal health challenges, there is an urgent need to adopt innovative and sustainable approaches for disease prevention, diagnosis, genetic improvement and livestock production. Rapid advancements in genomics, artificial intelligence (AI) and biotechnology are revolutionizing animal agriculture by providing precise, data-driven and efficient solutions to enhance animal health, productivity and welfare.

The Bihar Animal Sciences University (BASU), Patna, in collaboration with the Society for Veterinary Sciences and Biotechnology (SVSBT) is pleased to extend a cordial invitation to participate in the jointly organized **XIII Annual Convention and National Conference on "Transforming Animal Health, Disease Diagnosis and Sustainable Livestock Production through Genomics, Artificial Intelligence and Biotechnology"** scheduled to be held on 06-07 October, 2026 at Bihar Veterinary College, BASU, Patna, Bihar. The event aims to bring together scientists, academicians, veterinarians, industry professionals, policymakers, researchers and students to discuss recent advances and emerging opportunities in genomics, artificial intelligence and biotechnology for improving animal health, disease diagnosis and sustainable livestock production.

The conference will highlight the applications of genomics in disease resistance and genetic improvement, AI in disease surveillance, diagnostics and precision livestock farming and biotechnology in reproductive technologies, molecular diagnostics, vaccine development and sustainable production systems. It will provide a platform for interdisciplinary collaboration, knowledge exchange, and discussion on emerging research, policy initiatives and translational technologies for resilient and climate-smart livestock production.

The organizers believe that the scientific deliberations and recommendations emerging from the conference will contribute to strengthening animal healthcare, improving disease diagnostics, enhancing livestock productivity and promoting sustainable livestock development. The conference will support national priorities related to animal husbandry, food and nutritional security, One Health and sustainable agricultural growth.

The Organizing Committee is delighted to welcome you to the historic city of Patna, one of the oldest continuously inhabited cities in the world and a centre of rich cultural and educational heritage. We look forward to your active participation and valuable contributions in making this scientific event a great success.

About the Society

The Society for Veterinary Science and Biotechnology (SVSBT) is a registered Indian organization founded in 2012 that promotes the integration of biotechnology and veterinary medicine. Headquartered in Indore, Madhya Pradesh, India, the society serves as a multidisciplinary platform that collaborates among researchers, academicians, scientists, students and industry professionals across the country. Membership is open to academicians, scientists, research scholars and students affiliated with universities, research institutions, colleges and other organizations engaged in veterinary and allied sciences. The total number of life members in the society as on date is more than 1125.

Core Activities and Publishing: The society publishes the peer-reviewed, open-access *Indian Journal of Veterinary Sciences and Biotechnology* (IJVSBT). The journal publishes original research articles, review papers, short communications, and case reports covering diverse aspects of veterinary medicine, animal biotechnology, livestock production, animal health, genetic engineering and related disciplines.

About the Host Institute

Bihar Veterinary College, Patna, the 5th oldest Veterinary College in undivided India was founded on 2nd April, 1927 by Sir Henry Wheeler, the then Governor of Bihar & Orissa. The College made tremendous progress under the guidance and supervision of Dr. R. T. Davis, the first Principal of this historic College with a team of renowned scientists specialized in Breeding, Feeding, Management and Disease Control of Livestock & Poultry species. During the post-independence period, Bihar Veterinary College developed to its full capacity and occupied a prestigious status associated with strong academic base for teaching and research in the field of Veterinary Science and

Animal Husbandry as well as Advanced Veterinary Clinical Services to the society. This institution acquired world-wide recognition for Human Resource Development through excellent teaching by qualified, experienced and committed faculty members; providing quality services to the farmers; strong clinical and para-clinical setup; well organized livestock farms as well as research stations and other ancillary facilities.

From a tourism perspective, Nalanda, Rajgir and Bodh Gaya are among the most prominent cultural and heritage destinations in Bihar. Renowned for their historical, archaeological and spiritual significance, these sites attract visitors from across India and around the world. Located approximately 100-120 km from Patna, they offer a unique blend of ancient learning, religious heritage and cultural richness. Nalanda University, UNESCO World Heritage Site, stands as a symbol of one of the world's earliest centres of higher education, while Rajgir and Bodh Gaya are internationally recognized for their deep association with Buddhism and their enduring historical importance.

Weather of Patna

Weather in month of October will be pleasant and temperature remains around 22°C to 32°C. Afternoons remain quite warm, while evenings are comparatively cooler, providing comfortable conditions for delegates and participants.

Sight Seeing:

(i). 07.10.2026 (5:00 AM-7:30 AM)

Tour to Gurudwara Takht Shree Harmandir Sahib, Hanuman Mandir, Patan Devi Shakti Peeth Mandir and Bihar Museum for delegates will be arranged by organizing committee on payment basis with sufficient number of delegates.

(ii). 08.10.2026 (7:00 AM- 7:00 PM): on Payment Basis

Option 1: Patna- Nalanda-Rajgir- Patna

Option 2: Patna-Bodhgaya- Patna

Transportation and Accommodations

The campus is situated approximately 0.5 km from Jay Prakash Narayan International Airport and about 8 km from Patna Junction Railway Station, 10 km from Rajendra Nagar Terminals, 7 km from Danapur and 4 km from Patliputra Railway Station, facilitating convenient access for delegates. The organising committee will arrange local transportation for delegates from place of arrival to the place of their stay and to the conference venue. Similarly, the local transport for daily movement and the return journey of the delegates will also be arranged.

Accommodation for delegates will be arranged in government guest houses (BASU, ICAR, BAMETI, etc.) and private hotels located in the vicinity of the conference venue, subject to prior request and availability. Tariff rates for private hotels are expected to start from approximately Rs. 2,000 per day onwards, depending on the category of accommodation and amenities provided. Delegates are advised to communicate their accommodation requirements well in advance to facilitate necessary arrangements.

Technical Sessions and Thematic Area

- Omics Technologies for Sustainable Livestock Production and One Health-** Application of genomics, transcriptomics, proteomics, metabolomics and microbiomics for improving animal health, productivity, disease prevention and One Health outcomes.
- Reproductive Biotechnology-** Advances in artificial insemination, embryo transfer technology, *in-vitro* fertilization (IVF), sex-sorted semen, genomic selection and reproductive management.
- Biotechnological Interventions and Innovations in Livestock and Poultry Nutrition-** Development and application of nutrigenomics, probiotics, prebiotics, phytobiotics, feed enzymes and functional feed additives for enhanced productivity and health of animals, fish and poultry.
- Innovations, Challenges and Advances in Therapeutics of Livestock Diseases-** Emerging diagnostic tools, novel therapeutics, vaccine technologies, antimicrobial alternatives, and strategies for disease prevention and control.
- Cell Culture and Tissue Engineering-** Applications of cell culture systems, stem cell technologies, regenerative medicine, tissue engineering, and *in-vitro* disease models in animal sciences.
- Wildlife, Fisheries and Companion Animal Health-** Recent developments in disease surveillance, conservation biology, aquatic animal health, and healthcare

management of companion animals.

- Artificial Intelligence-Based Precision Biotechnology for Animal Health, Disease Diagnosis, and Therapeutics-** Integration of AI, machine learning, biosensors, image analysis, and precision livestock technologies for monitoring, diagnosis, and treatment.
- Biotechnology and Environmental Sustainability-** Biotechnological approaches for waste management, greenhouse gas mitigation, resource efficiency, circular bio-economy and climate-resilient livestock production.
- Recent Advances in Meat and Milk Technology-** Emerging technologies and innovations in meat and dairy processing, quality assurance, food safety, value addition, packaging, shelf-life enhancement, functional foods, nutraceuticals, automation and sustainable processing practices for improving product quality.
- Interaction among Veterinarians, Scientists, Progressive Farmers and Industry Stakeholders-** A platform for knowledge exchange, technology transfer, innovation dissemination, entrepreneurship development and strengthening academia-industry-farmer Interaction.
- Young Scientists Award Contest Session-** A special session of Selected 3 Young Students and Faculties each (Below 35 years with proof) based on peer-reviewing the submissions of full-length papers and PPTs of the interested PG/PhD students and faculties to adjudge the best one in each category for Award.

Call for Abstracts / Full Length Papers

The original research papers/abstracts related to theme of conference (Oral/Poster) are invited from all the participants. The abstract in MS word file (not more than 300 word, Times New Roman font, Size 12, single spacing, capitalized title, presenting author underlined with email at bottom) and/or Full length paper(s) (1.5 spacing, 7-8 pages) can be submitted on email: svsb2026@gmail.com or dushyantbasu@gmail.com on or before 20th September, 2026.

Awards (For details visit website: <https://www.svsbt.com>) (Last date of online application for relevant award is 31st July 2026)

Lifetime Achievement Award

SVSBT Fellows and Associated Fellows Awards

- Best Research Paper (I & II) and Clinical Case Paper (I) Award** for the best papers published in the journal of IJVSBT-2025, Vol. 21.
- Outstanding Veterinary Graduate of the Year Awards** - Final Year Students securing highest O GPA/CGPA during the last academic session form the host institute (BVC, Patna) and SVSBT Founder Institute (CVSc, Mhow).
- Best Paper Presentation Award** (Separate Award for Students and Faculty) in both oral and poster technical sessions of conference.
- Travel grant** of Rs. 2000/- in Cash to the First Best Student Presenter in each oral and poster session.
- Best Young Scientist Award** (both student & faculty below 35 years) of a special invited paper presentation session with a Certificate, Trophy & Cash Prize of Rs 2,500/-).

Mode of Presentation

The abstracts submitted under various technical sessions will be evaluated by an expert committee and selected for either oral or poster presentation based on their scientific merit and relevance to the conference theme. For oral presentation, each presenter will be allotted 5 minutes for presentation, followed by 2 minutes for discussion. For poster presentation, posters are required to be prepared in a 4 ft (width) × 3 ft (height) format. Posters should clearly present the objectives, methodology, key findings and conclusions.

Registration

All the delegates have to register themselves by paying the registration fee as per the details and bank account mentioned below. Registration fee includes admission to all scientific session, conference kit and hospitality food. However, no kit will be provided to accompanying persons. Registration fee payment has to be made by using NEFT on following bank details. After acceptance of abstract, it is essential to register all the contributors for participation in the conference. Abstracts will not be published without prior registration of the contributors.
