

Report on Educational Tour of Third Professional Year Students

Educational tour of Third professional year was organized on 24/08/2026. In this tour 29 students of third professional year was toured to Different historical places in Rohatas district of Bohar.

Report

An educational tour for the students of the Third Professional Year of Bihar Veterinary College, Patna, was successfully organized on 24 August 2026 with the objective of providing experiential learning and enhancing students' understanding of the historical and cultural heritage of Bihar.

A total of 29 students participated in the educational tour, which covered several historically significant places in Rohtas District, Bihar. The tour was planned to complement classroom learning by exposing students to important historical monuments and cultural sites, thereby broadening their knowledge and appreciation of the rich heritage of the region.

During the visit, students explored prominent historical landmarks of Rohtas district as Sone Bairaz, Tutla Dham, Tarachandi and Shers Shah Suri' Tomb and gained valuable insights into their historical, architectural, and cultural significance. The tour encouraged students to observe, interact, and learn beyond the classroom environment while fostering curiosity, teamwork, and social interaction among peers.

The college expresses its appreciation to all the faculty members, supporting staff, and students whose cooperation ensured the successful organization of the educational tour.
