Human society now stands at a pivotal moment in its short evolutionary journey

Building 'Viksit Bharat' with BioE3

Biotechnology for **E**conomy, **E**nvironment and **E**mployment

1. Bio-based Chemicals & Enzymes

Catalyzing Greener Reactions

2. Functional Foods & Smart Proteins

Taste without Cruelty

3. Precision Biotherapeutics

Remedies that understand YOU

4. Climate Resilient Agriculture

Krishi that makes earth happy

5. Carbon Capture & Utilization

Recover to Prosper

6. Futuristic Marine & Space Research

Diving into Infinity

Vision of the Challenge

Shape the Future

Chance to contribute ideas that can genuinely influence national priorities with Safe-by-default biological innovations

Youth-Driven Change

A platform for young minds to showcase their creativity and innovation

Visibility & Recognition

Opportunity to stand out in the scientific and innovation ecosystem

Skill Development

Sharpens problem-solving, teamwork, and design thinking skills for future leadership

Networking Opportunities

Interact with scientists, innovators, mentors, and policymakers opening doors for future careers

Impactful Ideas to Action

D.E.S.I.G.N. for BioE3 is a pathway from ideation to implementation

National Service

Contributing to India's self-reliance and sustainable growth

Who Can Participate?

Category 2: Open to all Indian Nationals

- ▶ All Indian Nationals
- ▶ Submit an idea of 1500 words
- ▶ Challenge of 12 monthly cycles starting 1st November 2025
- ▶ Top 10 receives Rs. 1 lakh each every cycle
- ▶ Grant opportunity for implementation

Entries allowed as individuals or teams of upto 5 members.

Competition Timeline

📅 September Cycle Timeline

Sep 1

D.E.S.I.G.N. for BioE3

[Home](#)[About](#)[Timeline](#)[Guidelines](#)[Contact](#)[Download your Proposal](#)[Register Now](#)

proposal submission.

**Starts on Sep 21****Expert Evaluation**

Multi-tier evaluation by experts using comprehensive criteria.

**Oct 2026****Next Cycle**

Next Cycle Begins.

**Oct 2026****Results & Awards**

Winner announcement & innovation recognition.
