L. No. 631/BSIDT, Patna

Dated. 12...../10...../2026

Subject: Request for Nomination and Participation of Faculty Members and Scientists for the 21-Days ICAR-Sponsored Winter School-Regd.

Respected Sir/Madam,

Greetings from BSIDT, BASU, Patna!

The Bihar State Institute of Dairy Technology (BSIDT), Bihar Animal Sciences University (BASU), Patna, is pleased to announce the organization of an **ICAR-sponsored 21-Days Winter School** entitled "*Innovative Technologies in Dairy and Food Processing for Start-Up and Entrepreneurship Development*" from **05-25 January 2027**.

The programme aims to enhance participants' technical knowledge and practical competencies in emerging dairy and food processing technologies, with particular emphasis on innovation, value addition, technology-driven start-ups, and entrepreneurship development. It will provide an excellent opportunity for faculty members and scientists to update their knowledge, strengthen their academic and professional skills and gain exposure to recent technological advancements in these fields.

Faculty members and scientists working in dairy, food, and allied disciplines are encouraged to apply for participation. Detailed information regarding eligibility criteria, the application procedure, and other relevant particulars is provided in the attached flyer.

In this regard, you are kindly requested to nominate eligible faculty members and scientists from your institution for participation in the programme and facilitate wide circulation of the attached flyer among relevant institutions and eligible candidates across the country to ensure maximum outreach and participation. We look forward to your kind cooperation and active support in making this programme a success. Thanking you in anticipation.

With best regards,

(Rakesh Kumar) 12/10/2026
